

Moving Target: Protecting Against Data Breaches Now and Down the Road

[Dana B. Rosenfeld](#), [Donnelly L. McDowell](#)

July 7, 2014

Partner [Dana Rosenfeld](#) and associate [Donnelly McDowell](#) authored the *Antitrust* article “Moving Target: Protecting Against Data Breaches Now and Down the Road.” The article discusses the federal and state laws and regulations governing data security that have emerged in the wake of a number of high-profile and high-impact data breaches. Dana and Donnelly outline the current legal and regulatory landscape, discuss what is likely to come next in this area, and provide some best practices to help companies protect themselves.
