

Overview of FCC Items: 5G Fund and Drone Operations in the 5GHz Band

[Jennifer Rodden Wainwright](#), [Michael R. Dover](#)

September 13, 2024

On this episode, special counsel Mike Dover and senior associate Jenny Wainwright discuss some of the key points from two items released by the FCC on August 29. The first is the FCC's latest action in the 5G Fund proceeding. The second is related to new rules to enable drone operations in the 5 GHz band.
