

Partner Gonzalo E. Mon Quoted on Social Media Policy Principles

November 3, 2010

In a *Inside GRC* article titled "Principles of a Social Media Policy," partner Gonzalo E. Mon was quoted. The article discussed the benefits of social media, as well as the difficulties harnessing its power. Mr. Mon noted that customization of social media policies are an important preventive measure companies should take to avoid misuse. Mr. Mon shared his advice and reflected his experience in designing policies for both traditional and new media.
