

# Patent Docs Chooses Tafas v. Dudas Case as Top Story of 2008

January 5, 2009

In an article, "Top Stories of 2008: #5 to #1," *Patent Docs* chose the *Tafas v. Dudas* case as the number one story of 2008. The article summarized Dr. Triantafyllos Tafas' and GlaxoSmithKline's motions to void the U.S. Patent and Trademark Office's new rules for unexamined patent applications.

The article noted Kelley Drye as representing Dr. Tafas in this case.
