

Pension Protection Act of 2006

[Pamela D. Kaplan](#), [Victoria E. Anderson](#)

September 27, 2006

The recently enacted *Pension Protection Act of 2006* contains the most sweeping set of pension and benefit plan reforms in the last twenty years. The [Employee Benefits](#) Practice Group has prepared a client advisory which provides a broad overview of the most important provisions, and which will be of interest to almost all U.S. employers.
