

# Pipeline & Gas Journal Interviews Special Counsel Wayne J. D'Angelo on Nation's Energy Agenda

January 1, 2013

Special counsel [Wayne J. D'Angelo](#) was interviewed for the Pipeline & Gas Journal article, "President and Industry Must Make Nation's Energy Agenda Top Priority." The interview discusses the relationship between the oil and gas industry and the Obama administration. Mr. D'Angelo touches on topics related to what is needed for the country to move forward in its quest for energy security. He says he believes the two sides can work together if they both make the nation's agenda their first priority.
