While there is a lot of attention on California's new privacy law (CCPA), what about the basic privacy considerations when it comes to compliance, risk assessment, and negotiating contracts? Please join partner [Alysa Hutnik](#) for a webinar that walks through topics such as:

- Privacy law 101
- Data security and breaches
- E-Mail, calls, and text marketing

If you have questions you'd like us to try and address during the webinar, please feel free to send ahead.

Who Should Attend?

Anyone who is new to these areas or in need of a refresher should join us for this online-only event. The webinar will have something for everyone, including attorneys, privacy professionals, paralegals, compliance personnel, marketers, researchers, and executives.
