

# Privacy Law Paradigm Shift: Policymakers Respond to Rapidly Evolving Technologies

Kelley Drye Seminar

Firm Event

November 17, 2009 from 2:30 pm to 5:30 pm (EST)

Washington, DC

Washington, D.C.

## **Kelley Drye presents the 2nd Annual Privacy Law Seminar.**

A new paradigm is inevitable as the federal agencies and Congress consider how to foster new and emerging information and communications technologies while protecting consumers from privacy threats and the potential misuse of personal data.

Join Kelley Drye and other leaders in the field for insights and analysis on how new privacy laws, pending legislation, and enforcement trends will affect virtually every business in the U.S., including telecommunications providers, advertisers, online and offline retailers, web publishers, and their service providers.
