

Privacy Perspectives: Privacy Litigation Update - The Latest on Wiretap & CIPA Pixel Litigation

[Alexander I. Schneider](#), [Whitney M. Smith](#)

February 26, 2026

In this episode of Privacy Perspectives, [Alex Schneider](#) is joined by [Whitney Smith](#), a partner in Kelley Drye's Litigation practice group. Together, they discuss a wave of new privacy litigation related to wiretapping claims under the California Invasion of Privacy Act, or CIPA.

The speakers cover key takeaways from the cases that have been brought under CIPA, trends in the health privacy litigation space, and the potential effects of pending legislation.
