

# Protecting Your Data From Ransomware and Cryptoviral Extortion

ePayConnect 2020

Speaking Engagement

March 3, 2020 from 4:00 pm to 5:00 pm (EST)

Chicago

That email attachment you just accidentally opened released malware that is holding your data hostage. Have you participated in any cybersecurity table top exercises to prepare for this threat becoming a reality? Does your institution have a Cybersecurity Response Plan in place to avert disaster? Does your institution's insurance address these technology risk? Join partner [Matt Luzadder](#) for this session that will provide a playbook to ensure your readiness!
