

# Reading the Tea Leaves in the FTC's 2024 Congressional Budget Request

March 22, 2023

On March 13, 2023, the FTC submitted its 2024 budget request to Congress, along with a performance plan for FY 2023-2024 and a performance report for FY 2022. While generally an aspirational document, the budget includes a few notable asks that provide clues about agency priorities in the consumer protection space..
