

Reminder: FCC Filings Due February 1, 2011

January 12, 2011

Form 499-Q Quarterly Telecommunications Reporting Worksheet

Carriers required to contribute to universal service support mechanisms must report their actual and projected end user and wholesale revenues for each calendar quarter by Filing Form 499Q on a quarterly basis. The Form 499-Q filing reporting historical revenue for October 1 through December 31 of 2010 and projected revenues for April 1 through June 30 of 2011 is due to USAC by February 1, 2011.

Note: Revisions to this Form 499-Q filing must be filed within 45 days of the February 1, 2011 filing due date.

Form 502: North American Numbering Plan Numbering Resource Utilization/Forecast Report

Carriers that receive numbers from the North American Numbering Plan Administrator ("NANPA"), pooling administrator or other carriers must file the Form 502 to report numbering usage and forecast future numbering resource needs. Reports for the six month period ending December 31, 2010 are due to the NANPA by February 1, 2011.

Please be advised that attorneys in Kelley Drye & Warren's Communications practice group are experienced in addressing universal service filing and carrier contribution issues and are available to assist clients with determining how to report their revenues for universal service purposes, as well as with the filing of FCC Form 499-Q. The group's attorneys also are experienced in completing and filing the FCC Form 502.

For more information regarding this client advisory, please contact your usual Kelley Drye attorney or any member of the [Communications practice group](#).
