

Resolving a Case: Damages Models, Comcast Implications

The Food and Drug Law Institute Conference on Food Advertising and Litigation

Speaking Engagement

September 24, 2015

New Jersey

Chicago, IL

On September 24, 2015, partner [Geoffrey W. Castello](#) will participate in the “Resolving a Case: Damages Models, Comcast Implications,” panel at the FDLI Conference on Food Advertising and Litigation. This panel will discuss ways to resolve a case, including recent trends in economic modeling such as regression analysis and metrics for calculations. Speakers will also address Comcast implications and other key issues, including ascertainability and big data.
