On May 8, 2014, Women At KDW, Kelley Drye's women associate group, partnered with the New York City Bar Association to offer its 2nd Resume and Interview Workshop as part of a six-part series entitled, "Launching your Career: Professional Development & Networking Series for Undergraduate and Recent Graduate Women." Some 25 undergraduate and recently graduated women gathered at Kelley Drye's New York office and participated in the workshop, which included a panel presentation on the "dos and don'ts" of resume building along with one-on-one sessions on interviewing strategies and techniques. Held under the auspices of the New York City Bar's Diversity Pipeline Initiatives and branded as a Women At KDW Service Event, the workshop was, once again, a huge success. Women At KDW is co-chaired by associates [Jennifer D. Raviele](#) and [Jaclyn M. Metzinger](#).
