

Sexual Harassment and Workplace Culture

Speaking Engagement

March 20, 2018

Brenna Woodley presented on “Sexual Harassment and Workplace Culture” at an event organized by the Chicago Chapter of the Association of Legal Administrators (ALA).

ALA members are responsible for several vital roles within law firms, such as human resources, operations, strategy and finances. Since 1971, ALA has strived to give these professionals the support they need through education, networking, and a community hub where they come to work out challenges and innovate together.
