

# Shaping Congressional Action and Legislative Priorities

Financial Service Centers of America (FiSCA) 2018 Annual Conference

Speaking Engagement

October 4, 2018 from 4:00 pm to 5:30 pm (EDT)

Washington, DC

Partner [Jeff Hunter](#) will join this panel of Washington professionals to discuss the means and methods available to the financial service center industry to shape Congressional and regulatory priorities in our nations' capitol. From political action committees, to lobbying, to public affairs, to social media, learn about the tools available at the industry and the operator level to impact, and that have impacted, the laws, regulations, and policies that impact your business.
