

Small Missteps, Big Consequences: Lessons for Privacy Programs from Recent Enforcement Actions

Privacy + Security Forum

Speaking Engagement

October 23 - 25, 2024

Washington, DC

Washington, D.C.

Partner [Aaron Burstein](#) will speak at the Privacy + Security Academy's Fall Forum on the topic "Small Missteps, Big Consequences: Lessons for Privacy Programs from Recent Enforcement Actions."

This session offers practical lessons about reducing privacy risks and complex issues that occupy much of privacy professionals' time. Specific topics include cookie banner do's and don'ts, consumer rights request pitfalls, and privacy policy challenges.
