

# Spectrum: 2021

Wireless Communications Alliance (WCA)

Speaking Engagement

January 26, 2021 from 4:00 pm to 5:30 pm (EST)  
Washington, DC

As we kickoff 2021, a number of events, from the administration change to the global pandemic, are driving new national and global imperatives.

Join partner [Chip Yorkgitis](#), we will look at how the spectral landscape has changed and what we might expect in 2021. We will do deep dives on the key spectral allocations at 3, 6 and 60GHz, review anticipated changes at the FCC, and discuss how 5G is shaping up globally.
