

# Techniques for Expediting and Streamlining Litigation

Michael J. Zinna

December 29, 2021

Partner [Michael Zinna](#) authored the chapter “Techniques for Expediting and Streamlining Litigation” in the treatise, *Business and Commercial Litigation in Federal Courts*. The chapter explores how each stage of a civil case can present unique opportunities for efficiency to the court and counsel, and how the different relationships in every civil case can be leveraged to promote efficiency at different stages of a case.
