

Technology and ESI at Trial, Fourth Annual Advanced E- Discovery Institute

Georgetown University Law Center

Speaking Engagement

November 15 - 16, 2007

[Mark L. Austrian](#) was a speaker at the Advanced E-Discovery Institute: The Revised Federal Rules-A Year Later, on the subject of "Technology and ESI at Trial" on November 15 and 16 at the Georgetown University Law Center Hart Auditorium. This program, which was designed for seasoned professionals, brings together federal and state court judges, plaintiff and defense lawyers, in-house counsel and consultants to analyze the most challenging issues they face.
