

# The EEOC Confirms Employers Can Mandate a Vaccine, But Should They?

Barbara E. Hoey, Alison Frimmel

April 1, 2021

Partner [Barbara Hoey](#) and associate [Alison Frimmel](#) authored an article in the *Employee Relations Law Journal* that reviews the highlights of the guidance issued by the Equal Employment Opportunity Commission after COVID-19 vaccines were approved and offers practical advice for employers considering rolling out a mandatory vaccination program for their employees.
