

# The Emerging Role and Increasing Powers of States and Tribes

LSI Advanced Natural Resource Damages Seminar

Speaking Engagement

July 14, 2022

Houston

[Go to Event Page](#)

Partner [Bill Jackson](#) is a co-chair at the upcoming LSI Advanced Natural Resource Damages Seminar in Santa Fe, NM on July 14, 2022. In addition, he will be presenting on “The Emerging Role and Increasing Powers of States and Tribes” panel. The panel will discuss implications of shrinking federal jurisdiction: State AGs, Tribes, and private practitioners driving litigation on key environmental matters; NRD Trustees and their role in NRD claims if there is a federal retreat from "Waters of the US" and air emissions.
