

The Evolution of the Right to Repair

Darby B. Hobbs

December 19, 2023

This article in *GPSolo Magazine* by Kelley Drye's [Darby Hobbs](#) describes the types of restrictions that are placed on the right to repair, presenting the arguments made by advocates (for a broader right) and manufacturers (for a narrower one) and then describing those industries most impacted by the debate, examining enforcement tools, and finally providing an overview of current legislation.
