

The Trade Agenda in the Second Trump Administration

2025 STI/SPFA Annual Meeting

Speaking Engagement

February 19, 2025 from 9:00 am to 9:45 am (EST)

Washington, DC

Hilton Head Island, SC

With the second Trump administration acting quickly and aggressively on trade initiatives – particularly related to tariff increases – it is more important than ever that businesses understand U.S. trade policy. Partner [Brooke Ringel](#) will join STI/SPFA's government affairs advisor, Stephen Borg of the Vogel Group, to discuss the top priorities of the incoming Trump administration; Congress's role in enforcing trade legislation; the future of the USMCA and other trade agreements; and what impact these changes may have on global supply chains.
