

# The Importance of Trade Law Enforcement

Speaking Engagement

November 17, 2010

Washington, DC

Washington, D.C.

On November 17, 2010 partner [Alan Luberda](#) participated in the 2010 NAFTA Steel Customs Fraud and Circumvention Seminar in Washington, D.C. The seminar focused on the rising volume and occurrences of fraudulently imported steel (and the employed methodologies), and steel that is entered in circumvention of national laws, rules and regulations. Alan presented a session titled “The Importance of Trade Law Enforcement.”
