

The Month in FCC Enforcement: July/August 2016

August 24, 2016

July was a busy month for the Enforcement Bureau, bucking the cliché of a quiet summertime in Washington D.C. In this podcast, partner [Steve Augustino](#) examines five enforcement actions: an [NAL issued against AT&T for E-rate violations](#), a [consent decree with AT&T over cramming practices](#), an unusual “admonishment” of [Momentum Telecom Inc.](#) for failing to pay Universal Service Fund Assessments, a [consent decree agreed to by Towerstream Corporation](#) for operating wireless facilities without a license, and [two NALs issued against individuals for Caller ID spoofing](#). Listen to the episode [here](#).
