

The Presidential, Senate and House Elections, Results and Policy Implications

[Christie Grymes Thompson](#)

November 11, 2016

Designed to serve as a comprehensive review of Tuesday's elections, [our guide](#) analyzes the 2016 results and looks ahead to the 115th Congress with an in-depth review of upcoming changes to the House and Senate. The presentation further reviews key policy issues facing the President and the Congress, including tax, trade, healthcare, transportation and infrastructure, regulatory reform, communications & technology and food & agriculture. We also take a look at potential Supreme Court nominees and the 2018 Senate races.
