

The U.S. Privacy Summit: Compliance, Enforcement, and the Road Ahead

Speaking Engagement

October 23, 2025 from 9:00 am to 7:00 pm (EDT)

As U.S. privacy regulations shift rapidly, staying ahead of enforcement is critical. Join us at the [U.S. Privacy Summit](#) on Thursday, October 23, where privacy professionals will gain insight into what's now and what's next.

This one-day program brings together regulators and industry leaders shaping U.S. privacy law and enforcement for candid conversations on key issues, including:

- Enforcement priorities from state and federal regulators
- Litigation trends, including wiretapping and consumer claims
- AdTech, data sales, and dark patterns in practice

Kelley Drye Partners [Alysa Hutnik](#), [Laura Riposo VanDruff](#), along with Special Counsel [Abby Stempson](#), and Associate [Austin del Priore](#), will share practical insights alongside regulators and industry peers.

Hosted by Women in Security & Privacy, Kelley Drye, and Ketch, this free, full-day event is designed for privacy professionals seeking clarity, practical insights, and connection.
