Washington, DC

Houston Airport Marriott

Partner [Paul Rosenthal](#) will present at the 2019 Wood Mackenzie Americas Polyester Conference on the use of trade remedy laws in the fiber industry. His presentation will cover the following topics:

- Why are antidumping and antisubsidy (countervailing) duty laws so frequently used?
- What does it take to bring a case and what are the implications for domestic producers, exporters and importers?
- What is the status of cases that have been filed?
- Will there be more in the future?
