Partner [Matthew Luzadder](#) will speak on a panel titled “The Web of Regulation” at the 2022 ACH Legal & Compliance Summit. The ACH Legal & Compliance Summit is designed to provide ACH education from the legal perspective. Sessions are approved for Legal CLEs and the audience consists of attorneys and compliance and risk professionals. In this panel, Matthew will provide advice on how best to create procedures to respond and relate to regulatory bodies while communicating the need for understanding changing regulatory requirements.
