About

Thomas (Tom) Cawley is a trade analyst with Georgetown Economic Services (GES). Tom provides economic and data analyses for clients of various industries, including agriculture, textiles, base metals, and consumer goods. He is particularly experienced in antidumping and countervailing duty proceedings before the U.S. Department of Commerce and International Trade Commission.

Before joining GES, Tom worked as an international trade intern for the U.S. Commercial Service at the U.S. Department of Commerce.

Tom is not licensed to practice law.
