

Thomson Reuters Notes Kelley Drye's Representation of Matheson in Recent Acquisition

April 28, 2009

Kelley Drye's representation of Matheson Tri-Gas, Inc. was noted in a *Thomson Reuters* article, "Matheson Tri-Gas Acquires Valley National Gases from CI Capital Partners." The article discussed Matheson's acquisition of Valley National Gases, LLC from Caxton-Iseman Capital Partners, LLC, a New York-based private equity firm. This was a significant acquisition for Matheson and its parent company, Taiyo Nippon Sanso Corporation, giving Matheson a broader presence in the Northeast and Midwest and enabling Matheson to meet its goal of becoming more of a national player in the United States. Taiyo Nippon Sanso Corporation is the fifth largest global producer and distributor of industrial and specialty gases and related equipment.
