November 12, 2025

Maryland's Online Data Privacy Act is officially in effect, but businesses still have time to prepare before enforcement begins in 2026. The law introduces some of the toughest rules yet on sensitive data, minors' privacy, and algorithmic assessments—creating new compliance challenges even for companies already following other state laws. This episode breaks down the key takeaways and practical steps businesses can take to stay ahead.

Hosted by Simone Roach. Based on a blog post by [Aaron J. Burstein](#) and [Austin J. Del Priore](#).
