

Tis' the Season for Retail Bankruptcies: A Landlord's Guide to Avoid the Post-Holiday Blues

[James S. Carr](#)

January 18, 2005

The article was directed toward shopping center management and addressed the important questions and issues that a mall-owner may face if one of the anchor tenants of the shopping mall files for bankruptcy. The article offers suggestions on how to handle the situation, what to do with the lease and the premises, and what rights the tenant may have.
