

Trade Secret Remedies and the Inevitable Disclosure Doctrine, 2021 Edition

[Brenna M. Woodley](#)

April 20, 2021

Brenna Woodley co-authored “Trade Secret Remedies and the Inevitable Disclosure Doctrine,” which appears in the Illinois Institute for Continuing Legal Education’s (IICLE) 2021 Edition of *Intellectual Property Law*.

The IICLE provides continuing legal education for Illinois attorneys. Brenna’s piece, published on April 20, 2021, discusses the latest developments regarding remedies in cases involving trade secret misappropriation and related claims under state and federal law, including claims under the Illinois Trade Secrets Act and federal Defend Trade Secrets Act.
