

Upcoming Kelley Drye Webinar: Examining the FTC's Report on the Internet of Things—February 23, 2015 at 1 PM

February 20, 2015

Following up on our [announcement](#) earlier this month, the FTC has issued its long-awaited report entitled [The Internet of Things: Privacy and Security in a Connected World](#). The report includes recommended privacy and security best practices for companies that create and sell connected devices. But the line between best practices and alleged violations can quickly blur. Please join us on February 23, 2015 from 1 - 2 PM for a webinar that will examine the FTC report and discuss compliance considerations for the design and marketing of such connected products and services.

Kelley Drye Speakers include [John Heitmann](#), Partner, [Alysa Zeltzer Hutnik](#), Partner, [Dana B. Rosenfeld](#), Partner, [Margaret E. Hardon](#), Senior Advisor, [Kristi L. Wolff](#), Senior Associate, and [Jameson J. Dempsey](#), Associate.
