

Virginia Is for Health Privacy Lovers: Broad Reproductive Health Data Amendment May Add Unintended Compliance Obligations

Alysa Z. Hutnik, Gregory C. Pruden, Meaghan M. Donahue

August 19, 2025

A new amendment in Virginia expands protections around reproductive health data, but its broad scope may trigger compliance challenges that businesses didn't anticipate. This episode unpacks what the amendment covers, how it intersects with existing privacy frameworks, and why legal, compliance, and marketing teams need to assess their data practices now to avoid costly missteps.

Hosted by Simone Roach. Based on a blog post by Alysa Hutnik, Gregory Pruden, and Meaghan Donahue.
