

Webinar Replay: Consumer Privacy Litigation Update

Becca J. Wahlquist

April 29, 2022

The replay for our April 28, 2022 [Consumer Privacy Litigation Update](#) webinar is available [here](#).

The increasing number of states enacting privacy laws means more privacy litigation. On this webinar, partners [Lauri Mazzuchetti](#) and [Becca Wahlquist](#) highlighted emerging trends across the docket of privacy litigation cases, provided an update on key cases involving consumer claims, and provided practical tips, including:

- Understanding potential litigation risk
- Reducing your litigation exposure
- Discussing exposure for data breaches and other alleged misuses of consumer data
- Providing an understanding of the scope of private rights of action
- Looking ahead to new laws
