Partner [Paul Singer](#) will speak at the American Bar Association's upcoming webinar on the topic *When Should Price Hikes Be Illegal?* With presidential candidates vowing to bring high prices down, economists and attorneys discuss related regulatory and legislative efforts. What tools does the law provide to attack price increases? What new proposals are on the table? What harms are such laws attempting to mitigate? Why are many economists uneasy with price controls? Register to learn more. The member rate is \$10.00 and the non-member rate is \$25.00.
