

# When Trade Policy Hits the Balance Sheet: Tariffs and the New Bankruptcy Landscape

Speaking Engagement

March 23, 2026 from 1:20 pm to 2:05 pm (EDT)

Kelley Drye partners [Eric Wilson](#) and [Brooke Ringel](#) spoke on the panel, “When Trade Policy Hits the Balance Sheet: Tariffs and the New Bankruptcy Landscape,” at the 2026 March Forum organized by the Credit Research Foundation.

Eric and Brooke examined how tariff-driven volatility in pricing, supply chains, and margins is creating heightened financial pressure across industries. The session explored how tariff-related shocks can cascade into bankruptcy risk and highlighted emerging trends in key financial indicators—helping credit managers navigate a shifting economic landscape.
