

Wireline Carriers Go Wireless

Minnesota Telecom Alliance Annual Convention

Speaking Engagement

March 25, 2014

Washington, DC

On March 25, 2014 partner [Chip Yorkgitis](#) spoke at the Minnesota Telecom Alliance Annual Convention in St. Paul, Minnesota. Mr. Yorkgitis's session, "Wireline Carriers Go Wireless," discussed how with people increasingly connecting to networks with wireless devices, carriers have substantial new business opportunities. This panel examined how wireline carriers can seize these opportunities, serving customers better and beating the competition.
