## Recent Proposals to Improve the FTC's Investigative Process and Transparency

Partner [John Villafranco](#) co-authored the *Antitrust Source* article "Without Burdening Legitimate Business Activity: Recent Proposals to Improve the FTC's Investigative Process and Transparency" with Svetlana S. Gans, Vice President and Associate General Counsel of NCTA—the Internet & Television Association. The article examines the ways in which both the agency and practitioners can improve the efficiency and transparency of FTC investigations.
