Credenzas

Alchemy

Credenza in informal break out area – King, Berlin studio.

Floor standing credenza with height levers.

Chrome foot credenza.

Tapered timber foot credenza.

The Alchemy storage credenzas have been designed to sit alongside our three table ranges – Confer, Involv & Ped. The carcass is constructed from MFC or MFMDf, all doors have soft close hinges & internally the space is divided into 2 with an adjustable shelf that can be removed. There are 14 finishes to select from.

There are two top options 25mm MFC with square edge or 25mm MFMDf with over sailing chamfered edge. There are two handle options bow or wine glass contoured door edge creating handle pull recess. Three base options are available - chrome angle leg, a timber tapered leg or the module sitting on the floor with height adjusters.

With all these options & combinations the credenza can be tailored to fit any environment.
