Stiga

SitStand Desks

Alchemy

The Stiga desk has a height adjustment range of 650mm to 1300mm

Stiga desk with chrome foot

Stiga Organics – kidney shaped desk that is contoured around the user. The shape is ideal for use with Cadence workbikes, delivering low impact exercise at the workplace.

The average office worker will sit for 5 hours & 41 minutes each day, the SitStand product range is designed to encourage posture change & help increase focus, alertness & activity levels by promoting movement.

Alchemy's SitStand desk and bench systems, offer easy to use electric powered height adjustable workstations. With a total range of adjustment 650 to 1300mm the sit-stand actuators of the electric version complies with the most stringent range of height requirements in the world.

The control software includes Gyroscopic anti – collision technology that reacts to obstructions when raising or lowering the work surface. The adjustment halts at the point of collision & then reverses.

Sitting too much is bad for your health, additionally, sitting all the time burns very few calories, and many studies have linked it to weight gain, obesity, back & neck pain.

Our range of SitStand desks appear to have a positive influence on overall well-being. In one 7-week study, participants using standing desks reported less stress and fatigue than those who remained seated the entire work day. Additionally, 87% of those using standing desks reported increased alertness and energy throughout the day.

Mobile Stiga desk with chrome foot
