Storit

Alchemy

Storit 2 door cupboards with under desk 3 drawer steel pedestal units & tambour fronted cupboards.

Storit is our range of steel pedestals & MFC cupboards & pedestals. Closure options of doors & side opening tambours along with fixed shelves & pull out filing frames meet most project requirements.

Cupboards are available in 4 heights – 740mm, 1100mm, 1600mm & 2000mm in widths of 800mm & 1000mm. Cupboards can be fitted out with MFC or steel shelves along with pull out filing frames. There is an option to specify the pull out frames with a safety interlock system that only allows one frame to be extended at a time ensuring cupboard stability.

Cupboards can be topped with MFC planter boxes. Pedestals can be fitted with fabric upholstered seat pads. Where minimal personal storage is required a lockable drawer is available that will hang from the underside of the desk & bench products.
