Bed End: 41 1/4"W x 3"D x 34 1/2"H
Sized for 38" Mattress

**4 TONS OF PRESSURE SEEMS EXTREME... NOT FOR OUR BEDS.**

In an independent lab test, EFT tested stronger than Northern Red Oak, and the results were measured in newtons as force, in which the meter showed LB/FT to demonstrate the force needed to pull a screw from the wood. EFT broke at 160 lbs. of pressure, while Northern Red Oak snapped at under 140 lbs. of pressure. This test proves that EFT is in fact stronger, more durable and able to withstand the rigors of extreme use without breaking down. Just look at this bunk bed hold up under the 4 tons of a cargo container placed on top of it.

3" x 3" Solid wood bed post shown as actual size.

2.5" x 2.5" size post also available.
