## The Hotel Safe You and Your Guest Can Rely On

When you can provide the best available security for the personal belongings of your guests or staff, they'll know they're in good hands. It's a rare occasion that a hotel guest will be visiting without a laptop, or some kind of electronic equipment. They'll need a space that is big enough and secure enough for their most valuable belongings. At 15-inches, 17-inches and 19-inches, our security safes are the dependable choice when you want to provide appropriate guest security that you can rely on.

### Key Features

#### Intelligence

Our **Event Audit Trail** will record the full identity of the last 199 authorized users. Importantly, this feature records both the opening and the closing of the safe door, providing the detailed information you'll need in the case of a theft.

#### Strength

The two 20mm diameter steel bolts are powered by an auto-electronic locking system that secures the ¼ inch (5mm) **Cold-Rolled Steel Door**. It's as strong as it looks.

#### Power

With **tamper-proof** installation hardware it offers additional security through acting as a theft-deterrent, first and foremost.

With an **Illuminated ADA Compliant Digital Keyboard**, your Safes will provide your guests with streamlined usability in keeping with the class of your hotel experience. With **Enhanced LED Display** and **Soft Internal LED Lighting**, your safes are functional, digital elegance.

With a **Motorized Opening and Locking System** powered by an **Internal Power Supply**, your guest's security will be unaffected by power cuts to the hotel's central electricity supply. With an **Emergency Manual Key** included with every safe, it couldn't be simpler to ensure a quick reset if a password is forgotten.

Your safes' strength is a long lasting one. Coated in a **Rust-proof Surface** with Powder Coat Finish, they will look their best for years to come. With a **UL Approval** on every safe, you can be sure you're investing in a product that has met rigorous quality and safety standards. These high standards are backed by a **5 year Manufacturer Warranty** that guarantees a replacement for any malfunctions.
