WOMEN'S BIBLE STUDY

2018/2019

# “It’s right in front of you!”

How often has a long and fruitless search ended with hearing those words? Sometimes we miss what’s in plain sight because our expectations don’t match reality.

In the same way, how often do our hearts look in the wrong place for truth and meaning? It’s easy when we live in a world that offers so many distractions and distortions. We are all searching for the one that Luke so specifically describes in his eyewitness account. In Luke’s gospel we find Jesus as he draws us to himself. And that is why we need to study the Gospel of Luke! Because Luke carefully recounts the very words and deeds of Jesus, he provides us with the evidence we need to recognize the one our hearts are searching for.

Join us this year as we continue our two-year study of the Gospel of Luke, teaching one another, learning from each other, deepening our friendships, and growing together in faith.

## Women’s Bible Study begins on Wednesday, September 26:

**mornings, 9:30-11:15am**

(childcare program provided for children, infant to age 5; Bible lesson for ages 4 and 5)

The goal of Women’s Bible Study is to help women meet Jesus through the study of God’s Word and to participate with them as they grow in their faith and are transformed more and more into the likeness of Jesus Christ. Each week, women have the opportunity to study the Bible on their own (using questions provided), attend a lecture, and discuss the passage in a small group setting. Women of all ages and visitors are always welcome.
