LOOKING AHEAD

Empowered to Connect Conference—April 5-6 in Philadelphia

Jesus welcomed little children, loving them and blessing them. As followers of Christ, we want to do the same. But, childhood trauma and loss often create barriers, robbing kids of trust, relationships, and growth. This live simulcast gives leaders and parents practical tools to begin breaking down those barriers and care well for children. Hosted by Bethany Christian Services. Visit www.etcphilly.org to learn more and register! 11 CEU credits available for licensed professionals.

Annual Women's Weekend—May 3-5 at Harvey Cedars

Victory in Your Thought Life | **Speaker: Andrée Seu-Peterson**

We spend some of our time with our families, some with our friends, some with our coworkers --- but all of our time with our thoughts. Your thought life is always there with you, whether for good or for torment. Is there any hope for the thought life, or is it the one place Christ's victory doesn't reach? We will talk about practical spiritual help for the stream of consciousness we all inhabit from our waking to our sleeping moments. Brochures available in the Lower Lobby and outside the Office.

Budget Committee

New Life's budget runs from July 1 thru June 31. It is at this time of the year that a team from the congregation meets to create the budget for our upcoming fiscal year. John Timlin, RE, and Greg Raysor, Administrator, are looking for congregational members to review the current budget and give input on the goals and expectations to be set in creating the budget for the 2019-2020 Fiscal Year. Join by contacting Greg at graysor@newlifeglenside.com.

ONLINE GIVING

In today's fast-moving world, many have become accustomed to paying for purchases electronically. Did you know that you can make your tithes and offerings to New Life Church electronically, too? You can have your regular giving happen automatically. Choose a weekly, bi-weekly, or monthly time frame. Whatever works best in your schedule. Regular periodic giving makes budgeting easier for the church and automatic electronic giving provides that consistency. If you are out of town for the weekend or forget to write the check the donation is still made. Here are two options on how to give electronically:

1. Use your bank's "Online Bill Pay" system. Most banks have a place to make electronic payments with the option to make it a reoccurring payment.
2. Use the New Life secure website. Go to the New Life website: www.newlifeglenside.com and select the GIVE button at the top right of the home page. You have the option to donate once or to set up a reoccurring contribution schedule. Either debit cards or credit cards can be used for the transaction. Caution: The Session does not think it is good stewardship to increase debt by using credit to contribute to our ministry.

When using a credit card the credit card company withholds fees and the service provider charges fees. (You get credit for the full amount of your donation.) Automatic transfers from your bank and checks have the same processing costs. Don't forget to check if your company has a matching contribution benefit. When you sign up to give online you are deciding in advance to faithfully give. God always blesses that kind of faith!

PRAYER & PRAISE

Pray for our India Team as they wrap up their trip and return home later this week. **Pray for Piper Fordham** and family as they grieve the passing of Piper's step-father, and pray for care for Piper's mother as she struggles with ongoing illness.
