## PREPARING FOR WORSHIP

Did you know that you can access the upcoming week's Sermon Outline and Bulletin from the New Life website? Think about taking a half hour each Saturday, and download the sermon outline, then read and meditate on the passage. As you read and pray about the scripture that you've read, let the Holy Spirit prepare your heart and mind for the next day's worship service. You may access this by going to this section of the website: <https://newlifeglenside.com/resources/downloads/>.

#### **All-Church Prayer Meeting—Next Sunday, April 14, 7:00-8:30pm**

Let's gather together in the Fellowship Hall to seek the Lord's presence and blessing on our church, community, and world. Christ's kingdom moves forward as his people pray!

#### **Women's Weekend—May 3-5 at Harvey Cedars Bible Conference**

***Victory in Your Thought Life*** | **Speaker: Andrée Seu-Peterson**

Here's what women enjoy about the annual weekend:

- "Fresh air, sand between my toes, sisters in Christ, singing with gusto, time apart from routine, meeting Christ through his word, playing, laughing, learning. Lots to do...or not if you just want to rest and relax."
- "The worship at the women's retreat is always amazing, the speaker is excellent and it's great to fellowship with women I already know and meet new ones, too!"
- "For me it has been a time to check out of the busy schedule of life and refocus on Jesus."

Join us as Andrée leads us to consider our thought life, which is always there with us, whether for good or for torment. Is there any hope for it, or is it the one place Christ's victory doesn't reach? We will talk about practical spiritual help for the stream of consciousness we all inhabit from our waking to our sleeping moments. Brochures available in Lower Lobby. **Register by Sunday, April 14.** Visit [www.nlgwomen.com](http://www.nlgwomen.com) for more info., to see photos from past weekends, or to register online.

We may not be able to put together the big float we've done in the past. If we are going to do that, however, we'll need an overall coordinator. We have some different ideas if the float doesn't come together, but we will need your help either way.
